

Volunteering with Saco Valley Land Trust

Current volunteer opportunities
and how to get started!

Why Volunteer?

Along with Membership, volunteering is what keeps the land trust going. Our board of directors is all-volunteer, contributing hours to meet and make decisions for the land trust, and also to do the hands-on work of monitoring and trail maintenance. Other community members step up to help us with a variety of tasks.

Some who started off as occasional volunteers liked helping us so much, they are now on the board of directors. Your involvement at any level is welcome and appreciated.

Outdoor Volunteering

We have a small but growing group of outdoor volunteers that help with a number of tasks as they come up.

- trail-building
- trail trimming
- annual property monitoring
- checking trails for problems
- re-filling trail maps and newsletters at our properties
- installing signs
- taking photos
- leading hikes or educational walks

Indoor Volunteering

Are you good with organizing paperwork, making cool social media posts, or planning small events?

Maybe you have some accounting skills or know a thing or two about real estate?

Or perhaps you just like stuffing and stamping envelopes with a fun group of people.

Please talk to us about how you can get involved.

It could be a regular arrangement of an hour or two per week, or more occasional as-we-need-help volunteering.

If you're interested in any of these opportunities, or if you live near an SVLT preserve and would like to do something for it,

contact Abby at

awilson@sacovalleylandtrust.org

to get started.
